QQI (FETAC) LEVEL 5 - POST LEAVING CERTIFICATE

Beaufort College

NAVAN, CO. MEATH | EST. 1912

Welcome | Fáilte

Beaufort College is committed to providing opportunities for learners to access Higher Education. A Post leaving Certificate Course provides many and varied benefits. A PLC eases the transition from second level to Higher Education and prepares learners for College or University. Our PLC courses can also open up career opportunities as students study courses relevant and compliant with workplace standards. But most importantly a PLC develops knowledge and skills needed to achieve your career goals. Our courses open doors for a better future.

In Beaufort College, we are a small focused PLC Centre. Our learners have achieved to the highest standards under the guidance of our expert and experienced team of tutors.

Ken Flynn
Deputy Principal

“Being able to differentiate between what you do know and what you don’t. It’s knowing where to go to find out what you need to know; and it’s knowing how to use the information once you get it.”

Art PLC Room

Course Overview

The purpose of this Course is to provide learners with an understanding of Art and Design. Students will prepare a portfolio of work with a view to entering third level colleges in Art and Design or to enhance their skills to find employment in an Art related area.

Objectives

Students will be encouraged to develop their creativity in a wide range of visual and artistic skills based on study through a number of art related modules.

Assessment

Continuous assessment during the year in addition to being monitored by an external examiner.

Pre-requisite for the course

Students must have Leaving Certificate/Leaving Cert Applied with 5 passes or equivalent standard of education.

Mature students i.e. 23 years and over without formal qualifications will be given special consideration.

Enrolment requirements

A prospective student should have a body of work, which

demonstrates a competence in drawing, painting, 3D studies, photography or other art disciplines.

Modules Covered

- Drawing
- Sculpture
- Ceramics
- Painting
- Appreciation of Art/Craft Design
- Communications
- Graphic Design
- Work Experience

Interviews

Personal interviews will be held in May.

Career Opportunities

The Portfolio Preparation for Third Level Colleges is the main focus of this course. Students have found places in many Third Level Colleges of Art, Craft and Design in Ireland such as NCAD, DIT, LIT, CCAD, GMIT and IADT. Some students have been successful in obtaining places in colleges in England and Australia, while other students have successfully obtained employment in Art related areas.

Secretarial (Business Administration)
