Navan School Completion Programme

Lunch Voucher Scheme

Beaufort College School Completion Programme provided a subsidised lunch for all junior students who wish to avail of the scheme. It costs the student just €5 per week. For this, the student receives a hot meal or roll and drink every day. The cost is subsidised through the Department in order to keep the cost to you the parents parents as low as possible and to ensure that your child has access to healthy , filling food every day. We are the only school in Navan to provide this service . The lunch voucher scheme is very popular and is administered by Jenny our School Completion Office.

For further information on Lunch Voucher or any other School Completion Programmes run in Beaufort College, please **contact Jenny D'Arcy on 086-**
