RE. Summer Programme 2024

Dear Parent or Guardian,

The theme for this year's summer programme is '*Building Confidence and Connections*'.

Summer Programme 2024 is designed and developed to ensure supports are targeted to better assist children and young people to have access to a school-based programme.

It is intended to be an enjoyable experience for both students. The range of activities available will reflect this year's theme and include opportunities for student-centred, play-based engagement. Fun activities on offer include arts and crafts, cookery, drama, sports and games. There will be an excursion/trip away from the school.

It will take place in Beaufort College from the 22nd of July to 5th of August 2024. Students will attend school from 10.00 am - 3.00 pm for two weeks.

There is no cost associated with attending the programme; students are asked to bring snacks and a packed lunch each day.

Please contact me by email at pmartin.bft@lmetb.ie. if you would like to reserve a place for your child or have any questions about the programme.

Yours sincerely,

Patricia Martin
Assistant AEN Coordinator
