PART 1

General Principles

1.1 Introduction

- 1.1.1 Louth and Meath Education and Training Board, hereinafter referred to as "LMETB" believes that students can derive a great deal of educational benefit from participating in well planned school tours and field trips. Such activities give students the opportunity to engage in experiences not available in the classroom, and help develop a student's imaginative skills, encourage greater independence and enhance the student's social and cultural development. This Policy is designed to provide clear guidance to principals, teachers, Board of Management members and others to ensure that students stay safe and healthy as they enjoy the educational experiences of school tours and field trips.
- 1.1.2 Most school tours and field trips take place without incident and LMETB is satisfied that its teachers are already demonstrating a high level of safety awareness. However, LMETB is committed to further ensuring the safety of students. This Policy is not designed to discourage teachers, but to ensure that good planning and attention to safety measures are in place to prevent accidents and incidents and lessen the seriousness of those that do occur.
- 1.1.3 LMETB expects that all tours and field trips will be thoroughly planned. Reasonable care must be exercised in the nature of the trip that is chosen, the venue, the means of transport, cost, the level of supervision, the demands on the physical resources of the students, having regard to their age and capacity and the potential dangers to which they may be exposed.

1.2 Scope

- **1.2.1** While routine extra-curricular activities are covered under this Policy, its main thrust is directed at events that entail a great deal of structured organisation such as residential, field and adventure trips as well as foreign tours.
- **1.2.2** Permission for students to participate in team sports and other activities that take place on a regular basis throughout the school year should be sought on enrolment.

1.3 General

- **1.3.1** This Policy is drafted in the context of the Health and Safety at Work Acts 1989 and 2005 and Circular Letter M20/04 issued by the Department of Education and Youth.
- **1.3.2** This Policy should be read in its totality, as there may be some overlap in the requirements for planning specific trips and/or activities. For example, when planning a trip abroad the section on Residential Trips will also be important.
- **1.3.3** Educational tours of more than one day's duration should be arranged to coincide with normal school holidays as set out in CL M20/04.
- **1.3.4** If an educational tour/field trip is an integral part of a school programme the Board of Management of the school may grant permission for the tour/field trip to be held during term time and as per the requirements of CL M20/04.
- 1.3.5 The Board of Management must ensure that students who are not participating in an educational tour/field trip are adequately catered for while their teachers are away on school tours/trips. Appropriate arrangements must be made for the conduct of all classes in accordance with Circular PPTo1/03. In the planning of the tour/trip cognisance must be taken of the impact the tour/trip will have on the normal work of the school and the numbers of absent teachers should be kept to a minimum.

1.3.6 Procedure for International Trips

Booking through Licensed Operators: All school tours outside the island of Ireland must be arranged through a travel agent or tour operator holding the appropriate license, which can be verified on the <u>aviationreg.ie</u> website.

Direct Payments to the Operator: Payments for travel and accommodation should be made directly to the licensed operator, not to the school or its staff.

Compliance with Regulations: This process ensures the trip is covered by the operator's bond with the Commission for Aviation Regulation at <u>iaa.ie</u> and the Legal Requirements for using Licensed Tour Operators at <u>fssu.ie/app/uploads/2024/09/Legal-Requirements-for-using-Licensed-Tour-Operators.pdf</u>

Payment: All monies must be paid directly to the chosen tour operator or travel agent and not to the school, staff or event co-ordinator.

Competition: Schools should seek quotations from a number of providers to ensure they meet their obligations in relation to value for money. LMETB does not recommend use of any particular tour company.

Records: Schools must maintain records to demonstrate a competitive process has been followed and these records may be audited by C&AG.

- 1.3.7 For local and one-day events and field trips Form ST1 should be completed and retained in the school. Form ST5 Parental consent form should also be completed. Best practice would also require that an absence roster of students and co-ordinating staff is posted to the Staff Noticeboard and/or via staff email
- **1.3.8** For international tours involving more than one class and/or yeargroup the organising group should nominate a tour leader who will be responsible for the trip in its totality including the direct liaision with the Principal of the school, if required, during the trip. The tour leader should also nominate a deputy tour leader
- 1.3.9 For international tours the tour leader should compile a reserve list of teachers and/or SNAs willing to travel in the event that members of the organising team need to withdraw. The Board of Management must also approve the reserve list. Details on application for leave for all supervising staff is outlined in 1.10
- 1.3.10 Where Child Safeguarding concerns arise on any trip the DLP at the school should be contacted immediately. in the event that the DLP is not available the DDLP should be contacted
- **1.3.11** The Parents and Principal must be informed immediately of any incident involving the student by the tour leader. The tour leader should have a copy of contact details and emergency contact details on hand at all times
- 1.3.12 For international tours in the event that a pre approved supervising teacher or adult cannot travel with the group due to unexpected circumstances the Principal should be informed by the tour leader immediately and the tour leader should secure a member of staff from the pre approved reserve list which has been ratified by the Board of Management. Application for leave should be progressed by the Principal as outlined in 1.10. Should the tour leader not be able to secure the additional supervising teacher from the reserve list the Principal should be informed immediately. The Principal should then seek an urgent meeting with the Chief Executive to discuss next steps

1.4 Planning Tours and Field Trips

Outline the proposal to the Principal/BOM, seeking approval in principle.

Complete Form **ST2**

Proposals should include:

- Objectives of the activity
- O Likely date, duration and venue
- & Student group, age profile and supervision requirements
- Resources required and estimate of costs
- How the activity will be funded

Planning

- & Contact reputable tour operator/service provider
- ☆ Contact venue. Is it suitable for the group?
- What are the transport options?
- Mho will lead the group and who will supervise it and the level of supervision that will pertain
- Parents will pay direct to the tour operator as the school will no process funds for the tour. Confirm payment method for parents.
- A Risk assessment

Detailed Proposal to the Board of **Management**

Complete Forms ST3 and ST6

- Location
- Details of dates
- A Risk assessment
- 🙇 Emergency procedures 🤵 Supervision
- Transport Insurance
- Costs
- Funding
- m Composition of group

list of teachers and

⊚[®]Shorter Trip

- Get parental consent for trips involving students up to age 18 Form ST5
- Inform parents of activity routine
- Brief students

Residential - Abroad

- 💪 Get approval from Principal and Board of Management to prepare the visit subject to satisfactory preparation
- ₹ Prepare a list of chronic health conditions and necessary actions/medication required for students travelling

The approval of the Board of Management will be recorded in the Minutes of the relevant meeting where it was discussed and will be communicated by email to the tour leader and deputy tour leader after the Board of Management

- Information to and from parents
- Briefing meeting with parents and students
- All teachers and SNAs travelling on international tours will attend a meeting with the Principal and the tour leader in advance of the trip to go through the Policy for Educational Tours and Field Trips and expectations of the school and the ETB in detail
- © Ensure full costs are paid directly to the tour operator - no funds will be
- processed by the school
- Obtain final approval from Principal/ BOM (ST4) and signed parental consents (ST5)
- The Principal must submit applications for Leave of Absence for all school staff going on the trip to leaveapplications@lmetb.ie
- 🌠 For Foreign Trips: the Principal should apply to leaveapplications@lmetb. ie for CE approval for the members of the staffing team travelling for

international tours. Application should be made at least one month before the scheduled event and should include details of Board of Management approval for the trip including the date of the Board of Management meeting, the proposer and seconder for same. A decision on the application for leave will be communicated by email from leaveapplications@lmetb.ie to the Principal

Go on trip, monitoring the risks at all times and where a Child Safeguarding concern arises, the DLP or DDLP should be contacted by the Team Leader

Complete Evaluation/Financial Report (ST9)

1.5 Supervision

- **1.5.1** LMETB expects that all school tours, field trips and extra-curricular activities will be adequately supervised.
- 1.5.2 LMETB recommends that the following ratios should apply as general principles regarding the supervision of students on particular trips. Slight deviation from the ratios may be acceptable where a thorough risk assessment has been carried out by or on behalf of school management and where said management is satisfied that the health and safety of the students is assured

1 teacher: 25 students

1 teacher: 20 students

10 students
(The level of supervision at activity centre may allow for a 1:20 ratio here)

1 teacher:

12 students
(maximum unless
there is good and
sufficient reason for
school management
to approve otherwise)

1 teacher:

1 teacher: 20 students

1 teacher: 10 students

1 teacher:
10 students

1 teacher: 20 students

1.5.3 Students should not be brought swimming or on adventure type trips without a qualified lifeguard or other suitably trained personnel.

- 1.5.4 It is not recommended that personnel other than teachers would be engaged to chaperone or supervise students. Sometimes this necessity may arise. In this regard personnel other than teachers e.g. Special Needs Assistants should only accompany students if a suitably qualified teacher is also accompanying the group and if he/she has received Garda Vetting through LMETB with regard to working with LMETB learners.
- **1.5.5** The group leader must ensure that all supervisors understand their roles and responsibilities at all times and that they are fully briefed as to the rules, regulations and requirements pertaining to the particular trip before departure. The group leader should hold a meeting of all supervisiors in advance of the trip and provide an overview of the policy and ensure each supervisor has a copy of the policy for the duration of the trip.
- **1.5.6** The group leader must ensure that all supervisors are made aware of their duties and responsibilities vis-à-vis student health, safety and behaviour prior to departure. This includes being aware of the expectations of school management regarding supervision for students on modes of transport for the duration of the trip i.e from leaving and returning to the school grounds.
- **1.5.7** All supervisors have a responsibility to act as positive role models for students in terms of their actions and behaviour and in particular in relation to smoking and consuming alcohol etc.
- **1.5.8** Supervising teachers are engaging in active supervision and therefore acting in loco parentis for the duration of the trip. Any Child Safeguarding concern and/or incident with a student should be reported to the Tour Leader immediately. The tour leader will be the single point of contact with the school for the duration of the trip.
- **1.5.9** Regular head counting of students should take place, particularly before leaving any venue. All supervisors should carry a list of all students and adults involved in the activity. The group leader should establish meeting points and tell students what to do if they become separated from the group.

1.6 Preparing Students

- 1.6.1 Students who are well briefed about an activity will make more informed decisions and will be less at risk. Students should clearly understand what is expected of them and what the activity will entail. They must understand what standards of behaviour are expected of them and why rules must be followed. Students should be made aware of any potential dangers and how they should act to ensure their own safety and that of others.
- 1.6.2 Students, whose behaviour is such that the group leader is concerned for their safety, or for that of others, should be withdrawn from the activity. On residential activities the group leader should consider whether such students should be sent home early. Parents and students should be told in advance about the procedures for dealing with misbehaviour, how a student will be returned home safely and who will meet the cost.
- **1.6.3** For some students an overnight trip may be their first experience away from home on their own and in the close company of other students. They should understand:
 - ✓ The aims and objectives of the trip/activity
 - Background information about the place t be visited
 - Basic foreign words and phrases wher appropriate
 - ✓ Relevant foreign culture and customs
 - How to avoid specific danger and why they should follow rules
 - ✓ Why safety precautions are in place
 - ✓ What standard of behaviour is expected
 - Appropriate and inappropriate personal andsocial conduct
 - ✓ Who is responsible for the group

- ✓ If on a foreign trip, items not to be brough back to Ireland
- What to do if approached by anyone fr outside the group
- Rendezvous procedur keeping
- ✓ What to do if separated from the group
- Emergency procedures, including telephone numbers, etc.
- Pocket money and security of personal items
- ✓ Maps and town plans, as appropriate
- Limitations of movement, such as out of bounds areas
- **1.6.4** Remote supervision may have to take place on occasion. For example, when students are on shopping trips, certain adventure activities etc. Parents should be notified of this in advance. Students should be advised to stay in groups of at least 3 or 4 students, as appropriate and adequate arrangements should be made regarding checking in with supervisors at given times. The tour leader should also ensure that staff are aware of the expectations from them during 'remote supervisions times' and that all staff are familiar with the arrangements for check in with the students at the given times

1.7 Communicating with Parents

- **1.7.1** Parents should be informed in writing of any off-site activity or tour unless it is a regular part of the school curriculum, which parents already know about through the school prospectus or a letter. Seeking consent at time of enrolment for such routine activities may be appropriate.
- 1.7.2 Before residential visits or when students are to travel abroad or engage in adventure activities parents should be invited to attend a briefing meeting where details (oral and written) of the proposed trip should be provided. An attendance record should be kept. There should be alternative arrangements for parents who cannot attend. Details of the alternative arrangements should be recorded.
- 1.7.3 Parents need to be made aware that the teachers and other adult supervisors (See Section 1.5.8) on the trip will be exercising the same care as a prudent parent. The following information on matters that might affect student health and welfare should be given to parents.
 - Dates of the trip.
 - Objectives of the trip.
 - ✓ Times of departure and return paren must agree to meet the student on return.
 - ✓ Trip itinery.
 - The location where the students will collected and returned.
 - Modes of transport including the names of travel companies, etc.
 - The size and gender breakdown of group and the level of supervision, including times when remote supervision may take place.
 - Details of accommodation with security and supervisory arrangements on site.
 - Names of tour leader, deputy tour leader of other staff and of other accompan adults.
 - Details of planned activities and how any risks will be managed.

- ✓ Standards of behaviour expected in r of alcohol, sexual behaviour general group discipline including prohibited items. This information may tak form of a code of conduct which paren may be required to sign.
- What students should not tak or bring back.
- ✓ Details of insurance taken out for the gr as a whole in respect of luggage, acciden cancellation, medical cover, any excep in the policy and whether parents may need to arrange additional cover.
- Clothing, equipment and items of personal hygiene to be taken.
- Money to be taken.
- ✓ Information regarding parental consent.
- ✓ Information on contact with paren an incident occur while on a trip.
- Information on process to be followed if Child Safeguarding conc trip.

- **1.7.4** The group leader should seek parental consent for:
 - ✓ Adventure activities
 - Foreign trips
 - Other residential trips
- **1.7.5** If parents withhold consent the student should not be taken on the trip.
- **1.7.6** A parental consent form **(ST5)** should be completed for each student in the group. Besides conveying the parent's consent it may also be used for obtaining details required as follows:
 - The parental home phone numbers and address.
 - An alternative contact, phone number and address.
 - Name, address and telephone number of family doctor
 - Any allergies/phobias the student may have.
 - Any medication the student is taking, what the dosage is and who is to administer it, or whether the student can administer it.

- Any contagious or infectious diseases suffered within the immediate family during the preceding four weeks and any other recent illness suffered by the student.
- Any special medical or dietary requirements.
- Whether the student suffers from travel sickness.
- ✓ The student's ability to swim.
- Any other information the parent thinks is relevant.

Form **ST5** may be adapted according to the circumstances of the trip but at minimum should contain the **bolded** points above.

- **1.7.7** The contents of the consent form will vary according to the type and duration of the trip.
- 1.7.8 Medical consent should form part of the parental consent form for foreign and residential trips. Parents should be asked to agree to the student's receiving emergency treatment, including anaesthetic or blood transfusion, as considered necessary by the medical authorities. If the parents do not agree to this, the Principal may decide to withdraw the student from the trip given the additional responsibility this would entail for the school. Doctors in another country may be reluctant to operate on a student unless assured of parental authorisation for such treatment.

PART 1: GENERAL PRINCIPLES

- **1.7.9** The school management may decide that students with certain medical conditions may not be brought on trips. Such decisions shall be taken on the basis of medical evidence and in the interest of the health and safety of the student and others. This should be explained to the student and parents.
- **1.7.10** The group leader should inform parents that they will be expected to fund the early return of a student whose conduct gives rise for concern on a trip. **Ensure that ST5 is completed.**
- **1.7.11** The Principal should ensure that parents can contact their child via the group leader or the school contact in the event of a home emergency, and that they have a number to ring for information in the event of an incident during the trip or a late arrival home. Parents should therefore:
 - Know the destination details.
 - Be aware of the emergency contact arrangements at home (particularly holiday periods when the school may closed) and at the venues the group will visit.
 - Provide contact numbers for day and nigh use in an emergency.
- ✓ In the event of an emergency, paren should contact the group leader/school contact who will then liaise with the student.
- In the event of an emergency students should not contact home directly before the group leader/school con has done so or as directed by the gr leader.
- 1.7.12 An evaluation of all trips should take place on return and a report, including a financial statement, should be submitted to the principal and Board of Management within 28 days of return. The financial statement should include all details of income and expenditure in relation to the trip as well as a balancing statement.

1.8 Charging for Trips

- 1.8.1 If a trip is linked to a particular curricular or subject area the charge to be imposed may be compulsory, i.e co-curricular.
- **1.8.2** All non-curricular and optional trips shall be voluntary.
- 1.8.3 Group leaders should be mindful of the social and economic status of families when charging for trips. Planning should be done well in advance and a procedure should be put in place whereby students can pay for the trip over a period of time at an agreed rate.
- 1.8.4 When planning for a trip, group leaders should factor in all costs, including contingencies and should ensure that all charges are paid well in advance of departure.
- 1.8.5 Monies paid in advance will be forfeited if a student withdraws from the tour, except where such funds are recoupable through the insurance policy.
- 1.8.6 For International trips payments will be made directly to the tour operator by parents/ guardians. For other trips monies will be collected on the LMETB contracted online payment system.

1.9 Insurance

1.9.1 Public and Employer's Liability

- 1.9.1.1 Louth and Meath ETB's Public and Employer's Liability policies operate to cover the legal liability of LMETB in relation to Educational Tours/Activities organised by Schools/Centres subject to the normal terms, conditions and exceptions of the policies.
- 1.9.1.2 Where educational tours/activities involve activity of a specialist or high risk nature e.g. adventure sports, skiing, horse-riding, ice skating etc., schools/centres should ensure that the Centre providing the activity is a reputable provider and that evidence of their Public Liability Insurance including an indemnity to LMETB is obtained. The current recommended limit of indemnity is €6.5 million.
- 1.9.1.3 Queries regarding insurance should be directed to insurance@lmetb.ie

1.9.2 Travel Insurance

- 1.9.2.1 Travel Insurance should be organised for educational tours/activities, which involve travel outside the island of Ireland. School tour travel operators normally provide travel insurance as part of the tour package. However, when travel and accommodation are organised directly by the school/centre (e.g. language exchanges), travel insurance must be organised with the Travel Agency or an Insurance Broker. Please note the exclusions in the Travel Insurance Policy.
- 1.9.2.2 Queries regarding insurance should be directed to insurance@lmetb.ie

1.9.3 Personal Accident Insurances

- 1.9.3.1 Personal Accident Insurance LMETB has two Personal Accident policies in place one to cover FET Students and one to cover Primary and Post Primary Students
- 1.9.3.2 Queries regarding insurance should be directed to insurance@lmetb.ie

1.10 Leave of Absence

Staff accompanying students on trips must apply to the Chief Executive in advance for leave of absence in the normal way. The Principal must submit applications for leave for the supervisors engaging in the tour to leaveapplications@lmetb.ie. Application should be made at least one month before the scheduled event and should include details of Board of Management approval for the trip including the date of the Board of Management meeting, the proposer and seconder for same. A decision on the application for leave will be communicated by email from <u>leaveapplications@lmetb.ie</u> to the Principal.

1.11 Implementation and Review

The Chief Executive of Louth and Meath ETB, Principals, Deputy Principals, Centre Managers, and Teachers are responsible for implementing this policy. LMETB will provide support, advice and training to all staff concerned as and when deemed necessary.

This policy will be reviewed regularly and/or in light of any legislative or other relevant indications.

PART 2

Guidelines for Specific Tours/Activities

2.1 Adventure Activities

- **2.1.1** The group leader should check and agree the provider's arrangements for supervision and recreation during the evenings and between adventure activities. The group leader should also provide any relevant information to the provider such as the group's agerange, competence, accompanying adults, etc. Most school tours and field trips take place without incident and LMETB is satisfied that its teachers are already demonstrating a high level of safety awareness. However, LMETB is committed to further ensuring the safety of students. This Policy is not designed to discourage teachers, but to ensure that good planning and attention to safety measures are in place to prevent accidents and incidents and lessen the seriousness of those that do occur.
- 2.1.2 LMETB expects that all tours and field trips will be thoroughly planned. Reasonable care must be exercised in the nature of the trip that is chosen, the venue, the means of transport, cost, the level of supervision, the demands on the physical resources of the students, having regard to their age and capacity and the potential dangers to which they may be exposed.
- 2.1.3 The group leader/teachers should have sufficient information on what each activity involves before it takes place. They should approach the instructor at an appropriate safe interval if they are concerned that the students may be at unnecessary risk. Assurances may be sought that the provider has:
 - Checked the suitability of staff/temporary workers to work with young people.
 - Clearly defined the roles and responsibilities of its staff.
- ✓ The appropriate security arrangements.
- Appropriate Public Liability Insurance €6.5 million is recommended.
- Garda Vetting.

2.1.4 The Board of Management should satisfy itself that:

- ✓ The group leader and other supervisors are competent to act as leaders and/or instructors of students in a given activity. Competences should be demonstrated by holding the relevant certification, where it exists.
- ✓ The group leader is competent in safety procedures and the planning of adventure/activities/trips.
- ✓ An appropriate risk assessmen carried out.

- ✓ The supervision will be appropriate.
- ✓ There is adequate first aid provision, expertise and equipment within the group.
- ✓ The emergency procedures include activity-specific measures and supervisors/providers are competent to carry them out.
- ✓ The equipment is appropriate, saf good condition.
- Every student is suited to the activity properly briefed, prepared and equipped.

- **2.1.5** Some adventure activities, such as those under the Gaisce Awards, may require students to work without direct supervision. Particular attention should be given to the information and training provided to students before supervision can be withdrawn. Specific parental consent must be sought.
 - ✓ Appropriately qualified personnel should provide the information and training. The project leader should be satisfied that the students have the necessary experience, confidence, physical ability, judgment and skills to be left without direct supervision.
- **2.1.6** The withdrawal of direct supervision should be a gradual four-stage process.
 - Accompanying the group.

Checking regularly at agreed location

Shadowing the group.

- Checking occasionally at agreed locations.
- 2.1.7 Students should be familiar with all equipment used or taken without direct supervision, and in addition to training, an initial element of adult supervision in the use of equipment may be required. The condition and suitability of any equipment, particularly safety equipment, taken or used during these activities should be assessed separately.

2.2 Coastal Visits and Water

- **2.2.1** There are dangers on the coast quite apart from those incurred in swimming. The group leader should bear the following points in mind when assessing the risks of a coastal activity:
 - Tides, currents, weeds and sandbanks are potential hazards. Timings and exit routes should be checked.
 - Ensure group members are aware of warning signs and flags.
 - Establish a base on the beach to members of the group may return, if separated.
- Look out for hazar wire, sewage outflows, etc.
- Some of the group' may be recreational. Gr consider which areas of the terr are out of bounds.
- Cliff tops/caves can be highly danger even during daylight hours. The gr should keep to a path at all times.
- 2.2.2 Swimming in the sea or other natural waters are potentially dangerous activities. They should only be allowed as formal or supervised activities preferably in recognised bathing areas, which have official surveillance i.e. qualified lifeguard cover. Students should always be in sight of their supervisors. One supervisor should always stay out of the water for better surveillance. Where groups are using boats or other watercraft, lifejackets should be worn at all times.
- **2.2.3** The group leader, or another designated teacher in the group, should preferably hold a relevant current life-saving award, especially where lifeguard cover may not be available.
- **2.2.4** The group leader should:
 - Be aware that many children who dro are strong swimmers.
 - Ascertain for themselves the level of students' swimming ability.
 - Be aware of the local c as currents, weeds, a shelving, uneven or unstable bottom.
 - Designate a safe area of water for use by the group.
 - Be aware of the dangerous effects of sudden immersion in cold water.
 - Ensure that students have not eaten (a least 30 minutes) before swimming.

- Ensure that the activity is safe for studen especially any with disabilities.
- Adopt and explain the signals of distr and recall.
- Ensure that the students behave appropriately in and out of the water.
- Ensure that proper changing facilities ar available and that propriety is observ regarding gender separation. In mix groups there should be a and one female supervisor.

2.3 Farm Visits

- 2.3.1 Farms can be dangerous, even for people who work on them. Taking young people to a farm should be carefully planned. The risks to be assessed should include those arising from the misuse of farm machinery and the hazards associated with Ecoli O157 food poisoning and other infections.
- **2.3.2** The group leader should check that the farm is well managed, that it has a good reputation for safety standards and animal welfare and that it maintains good hygiene standards.
- **2.3.3** Students should be reminded:
 - Not to place their faces against the animals
 - Not to eat until they have washed their hands
 - ✓ Not to drink from farm taps

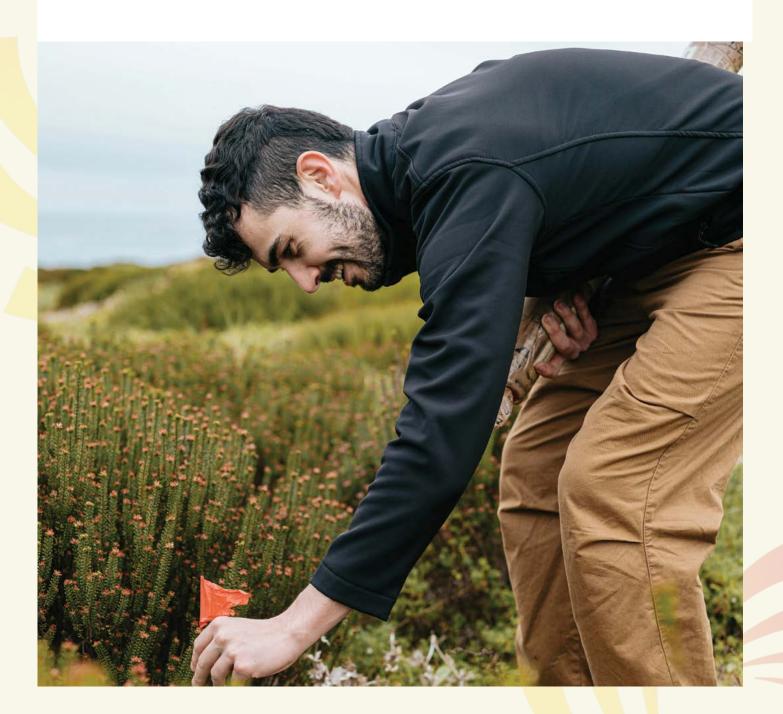

- Not to ride on tractors or other machinesNot to interfere with farm machinery.
- To stay away from hazardous areas such as slurry tanks etc.
- ✓ Not to wander away from the main group.

2.4 Field Studies

2.4.1 Field Studies associated with a range of subjects including geography, biology, history, CSPE etc. may take students to industrial sites and urban areas as well as into the countryside and to the coast. The scope of field studies means that the group leaders, who will usually be subject specialists, should also be competent to lead and instruct their students within urban and non-urban environments at minimal risk.

2.5 Residential Trips

2.5.1 Issues for the group leader to consider include:

- The group should ideally have adjoining rooms with teachers' quarters next to the pupils. The group leader should obtain a floor plan of the rooms reserved for the group's use in advance.
- There should be a reasonable pro-ra gender balance of teachers for mix gender groups.
- Ideally each room should have en-suit facilities, but as a minimum requiremen there should be separate male and f bathroom facilities for students and for adults.
- The immediate accommodation ar should be exclusively for the groups use.
 - There should be safe heating and ventilation.
- The entire group should be aware of layout of the accommodation, its fire precautions/exits, its regulations and routine.
- Where the reception area in a particular building is not staffed 24 hours per day appropriate security arrangemen be in force to stop unauthorised visitors.
- ✓ The manager of the accommoda should be asked, through the tour operator, for assurances that the staff temporary workers have been check suitable for work with young people.
- Locks on doors should be operable in all rooms, but appropriate acc available to teachers at all times.

- There should be adequate space for storing clothes, luggage, equipment et for the safe keeping of valuables.
- There should be adequate lighting at all entrances, corridors and rooms.
- ✓ There should be provision for studen with disabilities as appropriate.
- Balconies should be stable, windows secure and electrical connections safe.
- Where possible students should no lodged in ground floor rooms.
- The fire alarm and smok be in certified working order thr the building.
- ✓ There should be recreational accommodation/facilities for the group.
- ✓ The hotel/hostel managemen undertake not to supply or sell alcohol or tobacco to students.
- There should be an appropriate number of group supervisors on standby every night.
- A curfew time of not later than 12 midnigh should be set for students.
- ✓ The easy accessibility of medical personnel/facilities should be assured.
- ✓ The availability of a safety deposit box.
- **2.5.2** The group leader should confirm prior to departure that the hotel/hostel has proper and accessible fire exits and that it meets local regulations. After arrival fire evacuation procedures should be checked by the group leader and outlined to the students.
- 2.5.3 The group leader should also confirm prior to departure that the hotel/hostel meets all local hygiene regulations procedures should be checked by the group leader and outlined to the students.

2.6 Trips Abroad 💝

- **2.6.1** Travelling abroad can be hugely rewarding for students, but it is important that careful and detailed preparation takes place.
- **2.6.2** All trips abroad, with the exception of school exchanges, should be booked through a reputable travel agency with experience in the organisation of trips for schools and young people. Please refer to 1.3.6.
- **2.6.3** It is good practice to make an exploratory visit to the location. If this is not possible, the group leader should gather as much information as possible on the area to be visited from:
 - ✓ The tour operator
 - ✓ The provider of facilities at the location
 - ✓ The Department of Foreign Affairs
 - ✓ Embassy/Consulate

- Other schools who have been to the area/ used the facilities
- The Local Authority and/or area
- ✓ The Internet, books and magazines
- **2.6.4** A minimum supervision ratio of 1 teacher to 10 students should apply. There should be enough teachers/supervisors in the group to cover an emergency.
- **2.6.5** Factors to consider for trips abroad include:
 - ✓ Language particularly common phrases
 - Culture e.g. body language, rules and regulations of behaviour, dress codes, local customs, attitudes to gender etc.
 - ✓ Airline and ferry regulations
 - ✓ Drugs, alcohol usage

- ✓ Food and drink
- Money how to carry currency, money valuables discreetly
- How to use phones abroad and the c for phoning home
- ✓ What to do in an emergency
- **2.6.6** It is particularly important that parents are given the opportunity to meet teachers and others who will be taking the students overseas.
- **2.6.7** The group leaders must ensure that the group has comprehensive travel insurance.

- **2.6.8** It is desirable that one of the adults with the group should be able to speak and read the language of the visited country.
- **2.6.9** The group leader should ensure that all members of the group have valid passports and visas (if appropriate) in the early stages of planning the trip.
- **2.6.10** A photocopy of each individual passport should be taken for emergency use.
- **2.6.11** If a group includes students whose national or immigration status or entitlement to an Irish passport is in doubt, it is advisable to make early enquires to the Department of Foreign Affairs, the Department of Justice and the Passport Office.
- **2.6.12** Students other than EU nationals may require a separate passport and/or visa and may need to use separate passport control channels from the rest of the group.
- **2.6.13** If a student is subject to a care order, foster parents will need to ensure that Social Services consent to any proposed trip. If a student is a Ward of Court, the principal should seek advice from the Court in relation to trips abroad well in advance.
- **2.6.14** Emergency medical facilities are available through reciprocal health care arrangements in EU countries to EU nationals. The European Health Insurance Card from the local Health Service Executive is the means of entitlement and must be carried by the group leader.
- **2.6.15** It is advisable for the group leader to take a contingency fund in case treatment has to be paid for in advance and money has to be claimed back later.

- **2.6.16** The group leader should ensure that he/she obtains and takes with him/her:
 - Travel tickets, passports, visas, accident reports forms and other essential documentation. It is advisable to carry a separate list of the numbers of any travel documentation/passports and photocopies of the group's documents in a sealed waterproof bag.
 - A copy of the contract with the Travel
 Agency and/or centre/hotel, if appropriate
 - Medical documentation e.g. Eur Health Insurance Cards and significan medical histories. The group leader carry these at all times.
 - Parental consent forms and permission for the group leader to authorise emergency treatment on parental behalf.
 - The phone numbers and addresses, a home and in school, of the Principal and/ or of the school contact.

- The names and addresses of paren telephone numbers (home and w where they can be contacted.
- Copies of a list of gr their details.
- Details of insurance arrangemen company's telephone number.
- The name, address and telephone number (including emergency number) of Travel Agency.
- ✓ The name, address and telephone number of the group's accommodation.
- Details of local hospital/medical emergency services.

- **2.6.17** Full details of the trip must be retained by a designated person in the school while the trip is in progress. This should include:
 - ✓ The itinerary and contact telephone numbers/addresses of the group.
 - ✓ A list of group members and their details.
 - Contact names, addresses, t numbers of the parents and next of kin.
- ✓ Copies of parental consent forms.
- Copies of travel documents, insuranc documents, medical papers, etc.
- A copy of the contract with the Travel Agency, centre/hotel etc., if appropriate.
- **2.6.18** It is the principal's responsibility to ensure that this information is available at all times. This is particularly important if the trip takes place when the school is closed.
- **2.6.19** The group leader must ensure that each student knows what action to take if there is an emergency or a problem.
- **2.6.20** The group leader and supervisors should know where the nearest Irish Embassy or Consulate is located and the telephone number.

- **2.6.21** The group leader needs to be aware that some diseases are more prevalent in some countries than in others and should know what action to take should a member of the group become infected, and what actions to take to prevent infections.
- **2.6.22** Many of the health problems of pupils on longer trips are caused by lack of food, liquid or sleep. The group leader should plan to minimize these risks.
- **2.6.23** Group leaders should be aware that legal drinking ages may differ from country to country, to ensure avoidance of doubt students should be instructed to follow Irish law.
- **2.6.24** Residential trips abroad afford an opportunity for a more informal, relaxed atmosphere between teachers and students. Staff and students must ensure that appropriate boundaries are maintained.
- **2.6.25** In general students should be made aware that all school rules and policies apply equally when abroad e.g. Code of Behaviour *Bí Cineálta*, Substance Abuse, Social Media Policies.
- 2.6.26 The group leader should carry a contingency fund to cover the eventuality of a student running out of funds. This contingency fund should be used solely for the purpose of providing food and drinks for the student.
- **2.6.27** If appropriate, parents should be asked to provide suitably factored sun protection creams and sun hats/glasses and students should be advised about the dangers of over exposure to sunshine.
- **2.6.28** It is advisable, if appropriate, to check that the ship/aircraft or coach being used by the Travel Agency has a wheelchair service and lifting facility.
- **2.6.29** The group leader should resist any attempts to split the group while travelling. If this has to be done then each group should have a separate group leader.
- **2.6.30** The group leader should ensure that all supervisors are aware of their duties and responsibilities during the trip.

2.7 Exchange Trips 📚

- **2.7.1** The success of an exchange trip depends largely on good relationships and communications with the partner school.
- **2.7.2** School exchanges differ from other trips abroad in that students will spend most of their time with host families and are, therefore, not always under the direct supervision of school staff.
- **2.7.3** The group leader should remember that host families are not subject to Irish law.
- **2.7.4** Students must be made aware of behavioural expectations agreed with the host family. The group leader should ensure the following:
 - A good personal knowledge of the host school and its environs.
 - Satisfactory 'pairing' arrangements. The partner school should inform the host family of any special, medical or dietary needs of their guests, age and gender.
 - ✓ Matches should be appropriate.
 - Parents, students and the host school should be clear about the arrangements for collecting and distributing students to families, and for transporting students throughout the exchange.

- The principal should retain a list of all the students involved and their family names, addresses and telephone numbers
- Students living with host families should have easy access to their teachers, usually by telephone.
- Parents should be made aware that their children will be living with host families and will not always be under direct teacher supervision.
- **2.7.5** The group leader should ensure that host families are thoroughly vetted including criminal background checks insofar as these are available. The group leader should, as a minimum requirement, seek assurances from the partner school as to host family suitability.
- **2.7.6** The exchange organiser should ensure that all necessary insurance arrangements are in place.

2.8 Emergency Procedures

- **2.8.1** Teachers and others in charge of students during a school trip have a duty of care to ensure that the students are safe and healthy. They also have a duty to act as a reasonably prudent parent.
- **2.8.2** Emergency procedures are an essential part of planning a school trip.
- **2.8.3** If an accident/incident happens, the priorities are to:
 - Assess the situation.
 - Safeguard the uninjured members of the group.
- Attend to the casualty.
- ✓ Inform the emergency services and everyone who needs to know about the incident.
- **2.8.4** The group leader should take charge in an emergency and ensure that back up cover is arranged. All those involved in the school trip should be informed of the proposed arrangements in advance.
- **2.8.5** There should be a named school contact with all the necessary information about the trip. This person is the school's link with the group, the parents and LMETB (where appropriate), and to provide assistance as necessary.

2.8.6 If an emergency occurs on a school trip, the main factors to consider include:

- Establish the nature and extent of the emergency as quickly as possible.
- Ensure that the group is safe and looked after.
- Establish the identity of any casualties and get immediate medical attention for them.
- Ensure that parents are informed and in cases of minor injury adequate arrangements should be made, where appropriate, to get the student home, to liaise with the parents and to ensure that the injury is monitored.
- Ensure that all members who need to know are aware of the incident, and that all group members are following the emergency procedures.
- Ensure that teaching personnel accompany casualties to hospital and that the rest of the group are adequately supervised at all times and kept together.
- Notify the police if necessary.
- Notify the Irish Embassy/Consulate, if abroad and if appropriate.
- ✓ Inform the School Principal.
- ✓ The following details should be passed on to the school via the school contact:
 - Nature of incident
 - ✓ Date and time of the incident
 - ✓ Location of the incident
 - Names of casualties and nature of injuries
 - Names of others involved so that parents can be reassured
 - ✓ Names of witnesses
 - ✓ Action taken so far
 - ✓ Action yet to be taken and by whom
- Notify insurers, especially if medical attention is required. This may be done by the school contact.

- Notify the Travel Agent or transport operator. This may be done by the school contact.
- Ascertain telephone numbers for future calls. Landlines should be used, where practicable, to ensure quality of communication.
- Write down accurately and as soon as possible all relevant facts and witness details, and preserve vital evidence.
- Keep a written account of all events, times and contacts after the incident.
- Complete LMETB's accident report form as soon as possible. Copies should be brought on residential and foreign trips.
- ✓ No one in the group should speak to the media. Names of those involved in the incident should not be given to the media as this could cause distress to families. Media enquiries should be referred to a designated media contact in the home area.
- No one in the group should discuss legal liability with other parties.
- In the event of an emergency at home parents should contact the group leader/ school contact, who will then liaise with the student.
- ✓ In the event of an emergency on the trip, students should not contact home directly, before the group leader/school contact has done so, and only as directed by the group leader.
- ✓ Students should be advised not to use social media e.g. Facebook, X, Instagram, Snapchat, Tiktok, etc, as this may be picked up by Media and there is may be a risk that family and friends become aware of the incident before being officially informed by the school.
 - Appropriate first aid equipment should be brought on all trips, as well as a person who is competent to use the contents of the first aid box.

2.8.7 It is not always possible to assess whether group members not injured or directly involved in the incident have been traumatised or whether other students or staff in the school have been affected. In some cases reactions do not surface immediately. It is advisable for schools to contact local community support services and to seek professional advice on how to help individuals and the school as a whole to cope with the effects of a particular incident.

Residential / foreign tour risk assessment

Complete this form for all Residential/Foreign Tours with students and $\,$ submit to Principal along with Educational Tours application form

All Residential Visits	Yes/ No	Comments			
Has the status of the tour operator/activity centre provider been checked?	Tes/ No	Comments			
Does the Tour Operator/activity centre provider specialise in the organisation of the relevant tour/activity?					
Have you checked out background information on the area and the hotel/centre for suitability (e.g. hotel is not situated in areas renowned for violence/muggings/prostitution etc)?					
Have you checked that student rooms have individual locks to ensure personal safety?					
Is the ratio of supervisors to students adequate for the trip and complying with the conditions set out in the Educational Tours Policy of Louth and Meath ETB?					
Have you drawn up an itinerary, including details of activities and any free time allowed?					
Have you made clear arrangements for the supervision of free time including contact arrangements (i.e. checklist of names and intended destinations of students, agreed curfew times, safety of money, keeping in groups)?					
Is any of the party qualified in First Aid? If not who is the appointed person taking responsibility for First Aid Box?					
Have arrangements been made for special needs including access during travel and accommodation (e.g. disability/diet/medical etc)?					
If additional hazardous activities are included in the schedule have specific risk assessments been done to cover the activities (e.g.					
Ice skating/Skiing/Sailing/Swimming/Mountain walking/Theme Parks etc)?					
Have you provided a written briefing to both the students and their parents to cover the above, and provided them with appropriate contact numbers?					
Have you checked the safety/suitability of any equipment to be used?					
Have you obtained Parental Consent?					
Has planning for inclement weather/protection from sun been accounted for?					
Have you organised adequate insurance cover?					
Additional risk controls for foreign tours	Yes/ No	Notes			
Have students been briefed about local customs and behavioural, dress codes etc?					
If vaccinations are necessary, have arrangements been made?					
Are supervisors clear on how to contact any Emergency Services and Irish Embassy in the country of visit?					
Have the students obtained a European Health Insurance Card (available from the Health Service Executive) to ensure sufficient medical cover?					
Have you verified that all passports are valid?					
Telephone number of Irish Embassy/Consulate in country to be visited					
Signed (Group Leade	r)	Date:
