Ref: Junior Cycle Results 2026

Dear Parents/Guardians

The State Examinations Commission intends to issue the Junior Cycle Results 2026 on Wednesday 7th October 2026.

Arrangements for results day are as follows:

- 5th Yr and LCA 1 students receiving results have school as normal on Wednesday.
- Current TY students receiving results should attend school at **12:15pm in full school uniform.** These students are excused from attending work experience this Wednesday.
- Students will receive their results during last class on Wednesday.
- Students can also view their results online after 4pm through the candidate portal using their PIN and Examination Number. Each student will receive their login details from their Year Head prior to Wednesday.
- **Note, any student who did not sit their examinations in Beaufort College and have transferred to us must contact their previous school for their results.**

The staff are extremely proud of this group of students, and we send them our best wishes and congratulations on their results.

Kind Regards

Mr. Ken Flynn
Principal
